"Whether you work in a company, a law firm, the agency, or elsewhere, you are part of something bigger than your immediate job. You're part of a community with a rich past, an active present, and an exciting future—all of which gives you an important extra layer of connectedness. At the center of this community is the Food and Drug Law Institute." **GEOFFREY M. LEVITT, Chief Regulatory Counsel, Pfizer**  
*Excerpted from Mr. Levitt's acceptance speech for the Service to FDLI Award at the 2017 FDLI Annual Conference*
